

Overman For the Senate.

Hon. Lee S. Overman of this city is announced by the Atlanta Constitution as a candidate for U. S. Senator to succeed Senator Pritchard. Mr. Overman has been prominent in public affairs in this State for a number of years, and is abundantly qualified to fill any position in the gift of the people. The gentleman is too well and too favorably known to the Salisbury people to need any extended comment here, it is sufficient to say he is a man his people will delight to honor with any political gift in their keeping.,. The Atlanta Constitution says: In the list of brilliant citizenship of North Carolina none stand higher on the golden roll of promise than Lee S. Overman, member of the recent legislative body and one of our best known and most distinguished attorneys. As a member of the house of representatives Mr. Overman was the peer of any man in that representative body. A man of magnificent physique, with a smooth shaven, intellectual face, a kindly beaming eye, Lee S. Overman has endeared himself to the people of North Carolina."
